Value of Kaiser Company to Area Cited by Pearson

Congressman Harry R. Sheppard is praised and Henry J. Kaiser's mill at Fontana is given prominent mention by Drew Pearson, noted newspaper columnist, in a recent disptch from Washington, D. C.

Comments by the distinguished writer about the future of the Kaiser steel mill plant at Fontana are timely and illuminating. They are as follows:

"Representative Harry Shappard of California has been raising cain ever since the U. S. Steel corporation made its offer to buy the two huge steel plants which have been constructed in the far west during the war period. Because the plant at Geneva, Utah, was built by the government and is simply leased to a U. S. Steel subsidiary, Sheppard had no objection to the offer there, but the plant at Fontana, California, was built not by the government and is privately owned. Owner is Henry J. Kaiser, who, however, obtained a sizeable loan from RFC for the plant.

"What Sheppard is afraid of is that the big eastern steel interests have determined to shut down these two western plants. He recalls the months of battling with eastern steel moguls then running the old OPM steel division and who were horrified at the thought of competition in the west. Finally, because Kaiser rebelled at the short steel supply for his shipbuilding operations on the west coast, OPM steel moguls had to give in and authorize materials for the Fontana plant.

"Ever since then, steel men have been talking about the high production costs for steel at the Kaiser plant and claiming it is an uneconomic operation. Actually, although the ore is only 60 miles from the plant, the per ton production cost at the Kaiser mill is about the highest of any steel center—$15.83 per ton compared with $11.40 at Birmingham, Ala., $15.56 at Gary, Ind., $14,21 at Pittsburgh, Pa., and only $10.76 at Geneva, Utah.

"But the important thing to Californians is the total cost to them. Although production costs are higher at Fontana, freight charges from there to Los Angeles and San Francisco are only about $1.10 per ton, compared with $17.25 from Pittsburgh, $16,65 from Gary, $14.46 from Birmingham and $12 from Geneva. Result is, according to Congressman Sheppard, that the cost of a ton of Fontana steel at Los Angeles is $16.93, compared with over $31 from Gary and Pittsburgh, $25.85 from Birmingham and $22.76 from Geneva, Utah.

"It is because west coast industrialists fear they would be prevented from buying their steel on the west coast that the offer of U. S. steel to purchase the Fontana plant is creating such a stir. Actually, Henry Kaiser has no strong desire to be a steel man, but he is willing to hold on to this plant in order to assure the west coast of steel at prices comparable to those paid by the industrial east, which does not have the huge freight costs for transcontinental hauling.

"What Congressman Sheppard wants to know is where U. S. Steel gets the nerve to write Defense Plant corporation that it is ready to purchase a steel mill which does not even belong to the government.

Warner Gets Permit To Build Dwelling

Building permit was issued Wednesday by City Building Inspector Richard W. Derby to Thomas Warner, 1405 Salina street, to construct a five-room dwelling at 1471 Salina street.

It will be wood frame and stucco and will be constructed by the owner at a cost of approximately $1800.

Other permits were issued Wednesday to the Church of the Nazarene to alter the garage of the pastor's residence at 484 East Arrow highway, and to G. T. Redmon, 604 East Arrow highway, to enlarge the basement of his dwelling.

Bond, Stamp Sales $565 at Chaffey

Future Farmers sponsored the war bond and stamp sale at Chaffey high school Tuesday and investments totaled $565.50, aggregating $1.083.12 for the semester.

Each class this semester will strive for a goal of $6175 to purchase four scout cars.

GAS COMPANY ASKS INDETERMINATE FRANCHISE TO HELP FINANCING

G. E. Steller, secretary of the Southern Counties Gas company at Los Angeles, last night asked the Upland city council to grant the gas company here an indeterminate franchise to help it sell bonds at lower interest rates.

He said the indeterminate franchise is permissible under an act of the California legislature of 1937 and that 16 of 42 cities served by the company have granted the perpetual franchises.

CITY GETS $1317

In Upland, the company operates under a limited franchise authorized by the legislature in 1905. In 1932, Mr. Steller said, the gas company had 20 miles of pipe line and paid the city $636.98, while in 1943 there were 28.1 miles and the city received $1317.84.

Upland's return from the company is based upon two per cent of the gross revenue based upon use, operation and possession of street property in proportion to the total investment here. Under the 1937 act, the company may pay the city the same amount or one per cent of all gross revenue, whichever is larger. But as Upland is likely to continue a residential area without large gas-consuming industrial users, the payment may not be increased.

"FOREVER IS LONG TIME"

City Attorney Edward E. Gray told the councilmen he saw no objection to issuance of a franchise under the 1937 law except he was inclined to oppose a franchise "forever and forever because forever is a long time".

Mr. Steller said that if all 42 cities using Southern Counties company gas issue the new franchises the company can save one-half of one per cent interest on between $12,000,000 to $15,000,000 and would pass on the savings to gas consumers.

WOULD GAIN GOOD-WILL

Mayor Eugene G. Nisbet said he saw no particular advantage to Upland in making the change, other than gaining the company's good-will.

Wiley W. Mather, attending the council meeting, suggested the city ask the opinion of a non-interested expert.

The council appointed City Manager Richard G. Manley and City Attorney Edward E. Gray to study the proposal.

Mr. Steller was introduced by Homer R. Mead, district manager of the Southern Counties Gas company at Pomona.

Browning Quits Police Force

Resignation of J. R. Browning from the Upland police department was accepted last night by the Upland city council and Oliver D. D. Ewing was employed to fill the vacancy.

Mr. Browning wrote the councilmen, "I hereby submit my resignation as patrolman of the police department to take effect after my shift February 14. I wish to express appreciation for all the kindnesses shown me during the past two years and nine months."

He gave no reason for the resignation but Chief of Police Eugene G. Mueller stated Mr. Browning is accepting other employment.

Mr. Ewing was hired to start working on the midnight shift last night. He is a welder and has been employed by a termite control company in Upland.

Mr. Ewing was a member of the auxiliary police of Long Beach and Santa Monica during the early war years and recently joined the Upland Police Reserves. He is attending the police school now in session at the city hall.

Mr. and Mrs. Morrow Sponsoring Teenage Dance Saturday Night

Mr. and Mrs. William J. Morrow, 1127 Myrtle drive, will sponsor a teenagers' dance in the Scout house on Third avenue tomorrow, Saturday, evening, the Rev. John A. Luther, director of the Upland Coordinating council youth activities committee, announced today.

Mrs. Morrow is social chairman of the Los Olivos Residents association and she and Mr. Morrow have sponsored many successful dances and entertainments at Los Olivos.

Couch Heads Seal Campaign

The twelfth national annual Easter seal sale, sponsored by the Crippled Children's Society of San Bernardino county, will begin on March 19, it was announced yesterday by Alan Couch, Upland, chairman.

There will be no direct solicitation, he said, but sheets of 100 Easter seals will be mailed to thousands of persons in the county who are asked to purchase the little stickers at the rate of a dollar (or more) a sheet.

"The Easter seal sale is part of a nationwide movement, supported by the National Society for Cripled Children and conducted by the California society and its affiliated units such as ours," said Mr. Couch.

"Easter seals provide a medium through which everyone can make a nominal contribution to help in the work of the San Bernardino county society. The sale is the only countywide money-raising campaign conducted by our organization. The fund makes it possible to give treatment to many physically handicapped boys and girls whom the society might not otherwise be able to assist."

Eliot Hired as Plan Consultant

Upland city councilmen last night agreed to employ Charles W. Eliot, director of the Haynes foundation, as consultant to the planning commission.

Mr. Eliot in a letter to the commission agreed to accept the position at a charge of $75 monthly plus expenses.

Richard A. Ibanez, city councilman and member of the planning commission, urged Mr. Eliot's appointment, stating that the commission's problems have been piling up and that solutions have been held in abeyance pending appointment of a consultant.

No term of employment was fixed but City Manager Richard G. Manley commented that there is enough work on hand now to keep him busy six months and that many more problems not now foreseen will likely arise.

In his letter, Mr. Eliot stated that among Upland's chief planning problems now are revision of the 1937 zoning ordinance, location of an airport, development of a civic center, study of the Beulah college area, parking problems, the Second avenue railroad crossing and various related activities.

He said that in his talk here on January 12, he emphasized that these problems should be attacked in relation to larger economic, political and social developments.

For the $75 charge, he said, he would attend planning commission meetings, make incidental visits and study reports, and would be glad to serve Upland as planning consultant.

Michigan Resident Buys Grove At Cucamonga

Sherman Mauft of Bay Port, Mich., has purchased from John Caltabiano, 504 West San Bernardino avenue, Cucamonga, an 8½ acre orange grove and residence. Mr. Mauft has returned to his home in the east to prepare to move here with his family early in April. He is a cousin of E. L. Guengerich, 1496 North Euclid avenue.

The transaction was handled by G. T. Redmond.

O. M. Carter Buys Upland Ice Service

O. M. "Dell" Carter today became owner of the Upland Ice Service, succeeding William Bennett, who has operated the business for more than two years. Mr. Carter has been a resident of Upland for many years.

Mr. Bennett said he was joining the armed forces.

Miss D'Aiuto Speaks Before Chaffey Club

Miss Pauline D'Aiuto, recently admitted to the California bar, addressed the pre-legal club at Chaffey college yesterday at noon.

A graduate of Chaffey college in 1934 and a practicing attorney at Ontario, she spoke on "Preparing for the Bar Examination."

The meeting was arranged by Wiley W. Mather, the club's faculty advisor.

Teenage Activity To End Here Due To Lack of Aid

As the result of lack of interest on the part of parents to serve as sponsors and the inability to obtain leaders, the Saturday night recreational program for "teenagers" here will be discontinued after tomorrow night, it was decided at last night's meeting of the Upland Coordinating council.

Whenever leadership and the support of parents is assured the program will be resumed, it was indicated by those in attendance following presentation of the report by J. Harvey Siegrist, chairman of the committee in charge. The Rev. John A. Luther has been serving as director for the group but he is unable to continue to give time to the project every Saturday night. Recent efforts to enlist the support of parents have not been entirely satisfactory, it was reported.

Mr. and Mrs. William Morrow will serve as sponsors of the teenage dance tomorrow night to temporarily close a recreation program started some months ago.

In deciding to discontinue the dances for the present, the council members last night expressed a willingness to resume the activity when sufficient help is obtainable.

The council members also heard a report from Mrs. Maud Linsley, a member of the environmental committee relative to the prospective of aiding the Spanish speaking residents in obtaining a meeting place. After considerable discussion, the council asked the committee to make further studies looking to the possibility of a temporary recreational building being erected on the city's East-side park. If erected, it was emphasized the building should be made available to everyone in the community. Mrs. James Martinez is chairman of the environmental committee and a meeting was held recently with leaders of the Spanish speaking residents when need for a meeting place was revealed.

War Vets Among Tenants Here

Occupancy of the first 50 houses in Parkside project is expected by the end of next week, Mrs. Douglas Black, housing manager, reports.

A chemist, an engineer, a superintendent, a former golf instructor, two discharged war veterans and a nurse returned from Guadalcanal are among the first 20 tenants who have already signed leases.

Twenty-four other families have reserved homes in the housing project and will sign leases today and tomorrow. Leasing of all the first 50 units will likely be completed by Monday, Mrs. Black says.

NEXT LEASES MONDAY

By Monday, it is expected, reservations will be accepted for the second block of 50 houses for occupancy in mid-March, with the third and fourth groups of 50 units following at two-week intervals.

Leases for the first 50 houses provide for occupancy March 1, but Mrs. Black reports they will be turned over to tenants as soon as completed, which is still indefinite but should be some time about the end of next week.

The new lessees are:

Mr. and Mrs. David Paterson, a young couple from Houston, Texas. He is a chemist in the steel mill.

Mr. and Mrs. John R. Bell of Detroit. He is employed in the rolling mill at the Kaiser company.

THREE WAR WORKERS

Mr. and Mrs. Frank Butler and two daughters of Monroe City, Mo., who have been residing in a trailer court. There are three war workers in this family, the father and mother and one daughter.

Nagnus Eyriksin and his parents of Walhalla, N. D. His father was born in Iceland.

Mr. and Mrs. Peter Sparton and child of Brooklyn, N. Y. He is at the shell plant.

Mr. and Mrs. Ira Davis, a discharged Seabee who served in Alaska and at Attu and a discharged army nurse who was at Guadalcanal. Mrs. Davis is en route to Upland from South Dakota.

Mr. and Mrs. Charles Pyles of Youngstown, Ohio, both employed at the shell plant, who have been living in a trailer court.

Mrs. Delpha Baird and three children. She came from Riverside and works in the steel mill.

Mr. and Mrs. J. E. McNabb and three children, who came here from Oklahoma.

Mr. and Mrs. William Amlung and two children, of Cincinnati, Ohio. He is at the shell plant.

METHOD ENGINEER

Mr. and Mrs. Clifford Wood and five-year-old child from Lima, Ohio. He is method engineer in the shell plant.

Mrs. Verna Rose Powers of Holland, Texas, her child and her father and mother. Her husband is in the armed forces and she works at the steel mill.

Mr. and Mrs. Michael Hanna of Pittsburgh, Pa. He is a discharged soldier who fought in the Italian and Sicilian campaigns.

Mr. and Mrs. Fred E. Kushin

Odd Fellows Will Sand Lodge Floor

Upland Odd Fellows' dance committee met last night and agreed to sand the lodge floor to make it more suitable for dancing.

The lodge last year held dances in the dining room but in January the big meeting room was used and was filled nearly to capacity.

Attending the special meeting last night were George Sarina, dance committee chairman, Watts Cate, Homer Washburn, Harold Anderson, Harry Plum and Hugh Lamphear.

Fred Christensen will do the sanding. The next dance will be held Saturday evening, February 24.

89 Babies Born Here Last Month

Eighty-nine babies were born in Upland and 19 persons died in the city in January, City Clerk Ray C. Norton reports. Three deaths outside the city limits were recorded at the city hall during the month.

The city received 40 requests to issue birth or death certificates for which the city clerk's office was paid $40, he said.

Airport Grading May Cost $20,000, Manley Reports

Cost of grading a runway for a private airport on North Campus avenue between Fifteenth and Sixteenth street, which Elmer A. Riley of Los Angeles has asked Upland to do, would cost between $10,000 and $20,000, City Manager Richard G. Manley last night told the city council.

Mr. Riley attended the meeting and said a Monrovia contractor had visited the site and had roughly estimated the grading cost at between $4500 and $5000.

The Los Angeles airport operator recently asked the Upland city council and planning commission to change the city zoning ordinance to permit him to build a private airport, and two weeks ago asked the city to assume the grading cost.

At that time, the cost was estimated at $4000 and the proposal was endorsed by the aviation committee of the Upland chamber of commerce.

MANLEY GIVES REPORT

Mr. Manley, in a written report to the councilmen, said "there could be a considerable variation in the cost of grading and therefore without a very thorough examination I would say the cost would vary from $500 to $1000 per acre, depending upon specifications.

"If the field is going to be 3000 feet long, for every 100 feet in width there would be 6.8887 acres. If 300 feet wide, there would be 20.66 acres. It would cost from $10,000 to $20,000 to grade.

"Costs will depend upon specifications for grading and location. In going over the land, I notice some of it appears to be smooth and free from rock. However, there are indications that under the surface there may be plenty of rocks and many of these will probably be large.

"The land has been vacant for

Councilman Suggests Pacific Electric Ration Whistling, With One Toot for Each Brakeman

Upland residents are protesting the practice of Pacific Electric engineers who blow their whistles too frequently at night, Councilman James E. Goodban reported at the city council meeting last night.

They complain of the noise of the cars and the glare of the headlights, too, he commented, but would be willing to overlook those inconveniences if the engineers would not whistle so frequently.

Mayor Eugene G. Nisbet declared that if a Pacific Electric train were involved in an accident and the engineer brought to court, one of the first questions to be asked him would be whether or not he sounded his whistle, and, if the answer were no, he would be judged as negligible. The whistling, he said, is a safety precaution.

Another councilman offered the information that on one occasion he counted the whistles blown from Euclid avenue to North Campus avenue and there were 27 for five crossings. He suggested that the whistling be rationed with a limit of one toot for each brakeman.

City Attorney Edward E. Gray said it is sometimes difficult to determine whether or not whistling is reasonable but added that a complaint was made recently in San Bernardino after which the use of the whistle increased.

Councilman Ray E. Sherwood suggested the chamber of commerce might look into the matter to determine how much whistling is necessary to protect motorists and pedestrians and how much is inconvenient.

The city council tabled the matter for the evening and requested City Attorney Gray to look up Upland's whistling ordinance.

G. E. War Record Cited for Lions

Record of the General Electric company in providing the nation and its industries with munitions of war was cited graphically and statistically by Frank Findlayson, engineer, at the Upland Lions club meeting in the Upland Woman's club house at noon yesterday.

He displayed many of the items developed for military use and recited the quantities of each produced. Harold Batchelor assisted Mr. Finlayson in displaying the items.

Another feature of the meeting was a brief speech delivered by Harold W. Cook on a phase of the life of Abraham Lincoln.

President Everett W. Henry, who presided, appointed Howard Paulin chairman of the club's committee to aid in the collection of garments for distribution to occupants of the liberated countries. The local campaign will be conducted at the time of the national drive.

Clinton Thompson of the Upland branch of the Bank of America was a guest at the meeting.

Station Wagon Hits Pacific Electric Bus

A station wagon driven by an Alta Loma woman struck a Pacific Electric bus yesterday afternoon when it came out of First avenue on to Arrow highway, but there was no damage to the vehicles or injury to any person.

Mrs. Anna Kalbach, 1701 Hellman avenue, Alta Loma, driving the Ford station wagon southward on First avenue, was unable to stop the motor vehicle when it reached Arrow highway and it struck the bus broadside, she told Upland Police Officer William Smith.

The bus driver was Early Byrd of Redlands and the Pacific Electric machine was loaded with passengers.

A citation was issued against Mrs. Kalbach for failure to give right of way.

Citrus Fertilizer Meetings To Be Held Here February 28

A series of citrus fertilizer meetings will be held in this area the latter part of this month.

On February 27 a meeting will be held in the Cucamonga school at 7:30 p. m. On the following night a meeting will be held in the Upland junior high school at 7:30 p. m. Other meetings will be held in other parts of the county.

A general discussion on the citrus fertilization program as well as the fertilizer situation will be given.

A. G. Salter, county agricultural agent, is urging all citrus growers to attend the meetings.

Mrs. Charles Ruedy, a former Upland resident who was one of the pioneers in the community, was a recent visitor in Upland, being a guest at the home of Mr. and Mrs. W. L. Keown, 594 East Ninth street. Mrs. Ruedy has been residing in Los Angeles, but she plans to return soon to Upland.

Many Sign Up for Lecture Series

An attendance of approximately 300 persons at the series of lectures sponsored by the Upland coordinating council on post-war conditions was forecast at last night's meeting of the group. First of the five addresses will be presented next Thursday in the Elementary school auditorium by Dr. J. E. Caster of Scripps and Claremont colleges.

On each of four succeeding Thursday nights addresses will be presented and wide interest is reported on the basis of the number of registrations.

Dr. Caster will deliver lectures on the first of the three Thursday nights and following each address a public forum will be held. In reporting on his general theme, Dr. Caster said his first address would concern physiological problems, the second psychological problems and the final one on general and specific considerations.

Dr. Pryns Hopkins, Claremont college lecturer on psychology, will conclude the series with two addresses.

In a well-planned promotional campaign, the Coordinating Council leaders have developed considerable interest in the project and it is expected the lecture series will appeal to wives of the men in service, their other relatives, many other citizens and all persons dealing with the public.

Those in charge of the series expressed the belief the community is fortunate in obtaining the services of these distinguished lecturers.

General plans for the series were outlined at the coordinating council meeting in the Girl Scout club house last night.

Chaffey Receives Three New Buses

Three new buses have been delivered to Chaffey high school and college and are now making regular runs, giving the schools the largest fleet they have ever had with 24 vehicles in operation.

Each of the three new transit buses has a capacity of 55 seats.

The buses carry 1157 high school and college students 696 miles daily. Of the 25 student drivers, 14 are women and 11 men.

Enlargement of the bus system was necessary because of the large enrollment of Fontana students and one of the new buses has been put on that run. Nine buses travel 310 miles to and from Fontana and the vehicles are kept in a Fontana garage to save each bus one round trip daily. Fontana area enrollment at Chaffey high school and college is 461 students.

Alta Loma Club Meeting Monday

Alta Loma Community club will meet Monday evening for a pot luck dinner and round table discussions at the Alta Loma fire hall, Herbert C. Hall, secretary, reports. The dinner will start at 7 o'clock.

False Arrest Is Charged in $25,000 Complaint

Charging false imprisonment of Mrs. Roy E. Davis, a damage suit for $25,000 was filed with the county clerk this morning with Chief of Police Eugene L. Mueller, the Royal Indemnity Co., 10 "John Does" and a "John Doe" corporation named as defendants.

It is alleged in the complaint that Mrs. Davis was arrested on Friday, February 18, 1944 and was held in the Upland city jail four days without any charge being filed against her.

Raymond E. Hodge of San Bernardino is attorney for Mrs. Davis. The suit was filed by Roy E. Davis and Allie Lee Davis.

SECOND SENT

Filing of this suit follows by five months the filing of damage suits by Mr. Davis against a dozen persons for malicious prosecution and false arrest. The suit filed September 11, seeks $500,000 damages. Soon after filing of the first suit, it was reported from San Bernardino that another suit would be filed as the result of Mrs. Davis' arrest.

In the complaint, filed at 9:30 a. m. today in the courthouse at San Bernardino, there is recited the arrest of Mrs. Davis almost a year ago. It alleges that Police Chief Mueller "maliciously and with force and without an order, warrant or process of any court authorizing him so to do, arrested and imprisoned Allie Lee Davis."

The complaint further charges that Mrs. Davis was not permitted to see anyone and that her demands to appear in court for bail were refused and that she was never advised why she was held in jail.

Her arrest occured early in the afternoon of the same day that her husband, Roy E. Davis, was arrested on charges of "suspicion of conspiracy to obtain money under false pretenses and embezzlement" according to Upland police department records. Mr. Davis was later acquitted of a federal charge in the Los Angeles federal court and the other charges brought against him were withdrawn later by county officials.

MAY NAME OTHERS

Mr. Mueller is the only individual in today's suit and the Royal Indemnity Co. holds a bond purchased by the city in behalf of the police chief. The fictitious John Does were listed in the complaint because the "real names of the defendants are unknown at present."

The damages sought in behalf of Mrs. Davis are for humilation and for injury to her health.

Police Chief Mueller had not been served with a summons and a copy of the complaint by early this afternoon. Advised by The News of the suit being filed, however, Mr. Mueller emphasized that "the due process of the law" was followed in this case as in all other cases.

He said Mrs. Davis was the treasurer of the Ussher-Davis Foundation, of which Mr. Davis was listed as president and general manager. She was held for investigation, according to Mr. Mueller and was released after he conferred with the district attorney's office.

Arrest of Mr. Davis and others a year ago came after the establishment of a so-called orphanage in what is known as the Mont Vista resort property on San Antonio Heights.

Mr. Hodge expressed the belief that "no other persons would be named as defendants, we included the John Does, just to protect ourselves."

As to the suit filed by Mr. Davis in September, he said that no court hearings had been held due to the large number of defendants and the difficulty of getting them and their attorneys together. Dispositions may be taken soon on the September cases, he said.

Miss Ruby Calhoun, daughter of M. V. Calhoun, 649 North Third avenue, and an employe at the Ontario Army Air field, left this morning on the Southern Pacific for Chattanooga, Tennessee, to be with her grandmother, Mrs. J. C. Cooper, who is seriously ill. Miss Calhoun expects to be away for two weeks.

Change?

"The Forgotten Factor" is the title of a play a few Uplanders were privileged to see in Los Angeles the other night. The large audience in the Biltmore theater saw depicted on the stage the modern-day problem of capital and labor—and how this problem melted away when leaders of capital and labor "changed" their attitudes.

More than just capital and labor problems were involved. One's attitude toward his fellowmen was challenged as the cast focused the searching question "on you and the fellow you don't get along with".

"Human nature is the bottleneck in the production of national morale. We need a new spirit in the country. But to get it we must start with a new spirit in every citizen," says the booklet. "You Can Defend America, and that means YOU."

"Either you sacrifice your selfishness for the nation—or you sacrifice the nation to your selfishness.

"America needs a change of heart.

"Americans are honest, unselfish, neighborly, clean and free.

"Or are they? Always? Are you? All the time?

"If not, what can you do about it?

"A new spirit can grip your heart and mind and muscle—if you are willing. You can change. How?

"The first step is to face the facts. The facts about yourself. Honest? Unselfish? Neighborly? Clean Free? At home? At your job? In industry? In politics?

"Out fathers looked to God for their direction. We've looked about every place else.

"We still print 'In God We Trust' on our money. Everybody carries the idea around in his pocket. Is it just an idea? Or is it the main point?

"William Penn said, 'Men must be governed by God, or they will be ruled by tyrants'.

"Only God can change human nature. When you decide to be governed by God, then the change comes.

"It's like joining the army. You decide there's something worth fighting for. You enlist. You put yourself under orders. You are given new equipment. You find new comradeship. Your way of living changes. And your whole outlook on life is new.

"To be governed by God means to listen to a Wisdom beyond your own. And obey. This fits you for your highest service at home, at work in your community and in the nation."

Legion Oratory Contest Today

Four Chaffey high school students will compete in the annual American Legion Constitution oratory contest at an assembly in the civic auditorium today to win the honor of representing Chaffey in district finals February 22.

Shirley Mason will speak on the "Rights We Defend"; Patsy Jo Medley will discuss "Abraham Lincoln and the Constitution," and Marie Bons will talk on "Constitution a Barrier Against Tyranny." Donald Knox is the fourth speaker, but his subject was not announced.

The district finals next Thursday will be held in the civic auditorium to select a San Bernardino county winner.

Union Oil Company Gets City Contract

Bid of the Union Oil company to furnish gasoline to Upland was accepted last night by the Upland city council upon recommendation of City Manager Richard G. Manley.

Of four oil companies submitting bids two weeks ago, it was the only one offering aviation gasoline. Its prices are 14.5 cents per gallon for 73 octane aviation gasoline, 14 cents for ethyl and 12 cents for "76."

The Union company has had the contract during the past year and Upland used 9000 gallons of aviation gasoline and 8000 gallons of standard.

Former Uplander Author of Book

"Party Line," a new book about small town life in California as seen through the eyes of a telephone operator, should be of special interest to Uplanders.

The author, Mrs. Sherman Baker, of Prescott, Arizona, who was formerly Louise Maxwell, lived in Upland when she was a child. The family home was on Third avenue. Mrs. Baker's parents, Mr. and Mrs. A. H. Maxwell, reside in San Bernardino, where for many years Mr. Maxwell was secretary of the Y. M. C. A.

"Party Line" is published by Whittlesey House, McGraw-Hill Book company, New York, and will appear in print March 19.

Proud of Upland's Look to Future, Derbys, Jr., Write

"We are proud of Upland with all of its present attractiveness and its far-reaching forward look to the future," Mr. and Mrs. Richard Derby, Jr., wrote.

Mr. Derby is the son of City Building Inspector and Mrs. Richard W. Derby and is a student at the Asbury Theological seminary at Wilmore, Ky.

He and three other ministerial students are members of the famed "Ambassador quartet" singing at church services throughout eastern United States on weekends. Mr. Derby is first tenor, F. D. Borland of Kentucky is second tenor, El Kilbourne, of China is first bass and Dale McClain of Ohio is second bass.

Mr. and Mrs. Derby, Jr., in a letter from Nicholasville, Ky., to Vernon V. Payne, editor of the Upland News, writes:

"Each week after receiving the Upland News via my father, I'm glad to be able to call Upland my home.

"To you of the Upland News staff, 'thank you' for the accounts of all civic and social news.

"The News is greatly appreciated when one is 2400 miles from home.

"We are proud of Upland with all its present attractiveness and its far-reaching forward look to the future.

"We look forward to the time when we can again see Upland with all its beauty and friendly people.

"Mac, the Medicine Man's contributions are appreciated, also Gottlelly."

Eisenhower Death Noticed in India

News of the death of Dr. Abraham Lincoln Eisenhower, former Pasadenan who succumbed recently at Upland, was published in "The Statesman," a daily newspaper at Calcutta, India, according to a clipping sent to Mrs. Menno Horst here from her mother, Mrs. George Beare in India.

The item mentioned that Gen. Dwight Eisenhower, Dr. Eisenhower's nephew, had cabled the widow: "Please accept my deepest sympathy in loss of Uncle Abe."

Gen. Eisenhower was selected by Time magazine as the outstanding man of 1944. Dr. Eisenhower was a friend of the Horst and Beare families in Upland and Ontario.

Rotarians Hear Red Cross Work

History and outstanding service of the American Red Cross was discussed by Mrs. William R. Mason at the meeting of the Upland Rotary club in the Upland Woman's club house at noon Wednesday.

Started in Geneva, Switzerland, in 1862, the Red Cross now reaches "everywhere" and serves all who are the victims of famine, pestilence, fire, flood and war, Mrs. Mason related. She is chairman of the home service department of the Upland chapter.

Local chapters must have at least two working committees, one on disaster and relief and one on home service, she said, pointing out that most of the work is done by volunteers. There are 300 volunteer workers to one paid worker, explained the Upland woman.

Mrs. Mason reviewed the work of the local chapter and mentioned by name many who have been active in the organization.

In the work of the home service committee, she said, three questions always asked of the applicant for help: "Are you connected with the armed forces?' Where do you now live- Have you proof of these statements?"

The home service committees serve as a "clearing house" in aiding men in the armed forces and their families at home when help is essential.

Miss Eunice Mitchell, office secretary of the chapter, was also present and spoke on the daily routine, such as sending messages for those in need, and of giving countless other services. Miss Mitchell's comments and the address of Mrs. Mason presented a vivid picture of the Red Cross service here and throughout the world.

Neil D. Hickox served as program chairman and introduced the speaker. Guests included Harold Barber and Father Patrick Walsh, and visiting Rotarians were Monsignor John Hegarty, F. J. Biane, E. R. Patterson, Vernon Pittinger, Rev. Franklyn Josselyn and S. Earl Blakeslee of Ontario.

Airport Grading Cost Estimated

(Continued from Page One)

centuries with nothing but brush covering it and this growth has produced a top soil of several inches in thickness. If this top soil is taken off, there will be plenty of rock underneath, in my estimation.

"There are a good many gullies crossing the land, which will have to be filled in."

EXACT COST ASKED

J. Emery Sargent, secretary of the Upland chamber of commerce, said the chamber is definitely supporting the airport project and wants to do everything possible to carry it forward. But he added that he would not favor spending $20,000 of city funds if the cost is that great.

Owen E. Atwood, Upland chamber president, suggested that a more exact estimate be made and that the matter be deferred until the next council meeting.

Mr. Riley stated the runway would be 3000 feet long and 300 feet wide and that the administration and hangar building area would be 400 by 600 feet. Contractor Page of Monrovia visited the property, Mr. Riley said, and roughly estimated the cost of grading at between $4500 and $5000, but added that he could not give an exact figure without making a survey.

The Standard Oil company, Mr. Riley said, has offered to oil surface the runway to a depth of one inch at a charge of $6100, which would be serviceable for two to three years.

CITY EQUIPMENT LIGHT

Mr. Manley said that if the city undertook the job, it would be preferable to hire a contractor with bulldozers and carryalls rather than attempt to use the lighter city equipment.

If fire hydrants are required there would be an additional $6000 city expenditure, but Mr. Riley said airports invariably use chemicals to extinguish fires and he would do so, too.

City Attorney Edward E. Gray remarked that the cost of grading 13 acres at Los Olivos housing project was $30,000, but Mr. Manley said that on the newer federal housing project now nearing completion the cost of grading 20 acres was only $5000.

Library Receipts $1183 in January

Upland public library receipts in January amounted to $1183.99, Mrs. F. H. Manker, librarian, reports.

Among the income items were $850 from taxes, $41 from fines and $6 paid for books lost.

Total expenditures amounted to $1045, of which $392 was for salaries, $270 for books and $27 for periodicals.

CHAFFEY SEARCHES SOUTHLAND TO GET COSTUMES FOR TONIGHT'S PLAY

Five Chaffey high school girls searched southland libraries and Hollywood motion picture studio period wardrooms to design authentic 1885 western costumes to be worn by principals in the cast of "M'Liss, My Western Miss", an adaptation of Bret Harte's short story, to be presented by the senior class in the civic auditorium tonight at 8:15 o'clock.

Joan Trautman, enacting the role of Mrs. Lena Moffet, owner of the "Roarin' Dog Hotel," will wear a loud checked blouse and long black skirt with high-laced shoes.

M'LISS IN GINGHAM

Joan Aita, playing "Clytie," meek, soft-spoken daughter of Mrs. Moffet, will appear in a dainty white dress, lace-trimmed and with full sleeves and a straw hat with velvet streamers and clusters of cherries.

Lillian Schafer as Bess Starlight, hard-boiled, slangy actress, will be adorned in plaid taffeta skirt, tight fitting basque and black plummed hat.

Frances Morketter, in the role of the charming Mrs. Clara Hunting, will have a pink-beige suit with large hat circled with ostrich tips.

Ellen Gale Michael, "M'Liss," wears gingham.

BOYS' OUTFITS TOLD

Jim Cerison as Carter Langdon will wear a "city slicker" suit with broad brimmed straw hat. Dale Goodban will be solemnly attired in the part of John Grey, the young schoolmaster. Norman Sharp as Judge McSnaggley, will be attired in frock coat and broad brimmed felt hat, and Bob Webber playing the part of Bummer Smith will wear the costume of a town loafer. Don Sampsel will be seen in the portayal of Yuba Bill, dressed as a comic cowboy.

The costumes were produced by Gertrude Van Dorin, Joyce Snyder, Virginia Waller, Barbara Belcher and Virginia Thompson.

The three-act melodrama was filmed as a silent motion picture starring Mary Pickford and later remade as a talkie with Ann Shirley.

ORCHESTRA TO PLAY

Miss Gretchen Lizer is director. Chaffey symphony orchestra conducted by Ralph Stearno will play Victor Herbert melodies.

In the olio acts will be Thelma Jackson, Betty Jo Weber, Colleen Cowles, Anna Ruth Hammock, Gertrude Van Dorin and Dixie Illa in ruffled, full-skirted dresses with hats to match and parasols in the air of the Gay Nineties obtained in Hollywood.

Singers will be Wanda Shinn and Wylda Pontin accompanied by Virginia Thompson, and Barbara Tillman.

In addition to costumes, other committees and their members are Gertrude Van Dorin, Mervyn Ratekin, Laura D'Aiuto, sets and hand properties; Thelma Jackson, Elizabeth Latimer, Colleen Cowles, Mary Schonert, publicity; Laura D'Aiuto, program; Virginia Thompson, Clarence Jacobs, music; Harriet Farrell, Frank Hutchinson, Gertrude Gebbie, Virginia Waller, make-up, and Elizabeth Latimer and Helen Van Erunt, ticket sales.

Ferris Shows Will Get City Permit For Legion Carnival

Upland post of the American Legion last night was informed that Ferris Greater Shows will be given permission to have a carnival here in May for Legion benefit.

I. J. Linkey, post commander, asked the city council to issue the permit to enable the Legion post to enter into a contract with the carnival company.

City Councilman James E. Goodban introduced a resolution before the councilman granting the request and the group concurred.

The city will charge no fee for the permit.

Three Uplanders in Navy, Draft Board Announces Today

Three Uplanders are in the navy after having successfully met the requirements, it was announced today at the Upland Selective Service board.

They are Harold Bigger, Park Riggs and Ray Heigh. The men were inducted some time ago, but their names were withheld pending receipt here of the official approval.

Mr. Riggs recently returned to Upland after being in the English navy for several years. At the start of hostilities he went to England and was assigned to special work. On completion of this work he was discharged and was soon called for duty through the selective service routine.

Beulah Defeats Upland Quintet

For the second time this season, Beulah college defeated Upland junior high school's basketball team Tuesday, winning 17 to 13.

Beulah's forward Book made 15 of his team's points and Guengerich, forward, and Zook, center, made one point each. Troyer and Lenhard were at guards. The game was played on the Upland outdoor court.

For Upland, Shell, center, scored 6 points, Nuno at forward got 3 and Borbon, forward, 2. Simon Hoyos, substitute guard, make a basket.

Upland used nine players in the game, with Graham and Rafferty starting at guards. Substitutes were Laughlin, forward, Copeland, center, and Bernard Hoyos, guard.

The game was the only one scheduled by Upland this week but the junior high team will play Chaffey again next week.

NEBRASKA PICNIC

The Nebraska State Society will hold its annual big "Admission Day" picnic in Bixby park, Long Beach, Saturday, February 24.

The Long Beach Municipal band will play. Rev. Ernest Beam, native of Beatrice, Nebr., will be the principal speaker. Good entertainment.

The forty-sixth annual winter picnic of the Iowa Association of Southern California will be held in Lincoln Park, Los Angeles, all day Saturday, February 24. If raining, one week later. It will be an aggregation of 99 county gatherings. Many former Hawkeyes will greet former acquaintances and make new friends at their county registration place. Service men will be welcomed at the headquarters.

Home owners everywhere say:
"We reduced our home payments with Bank of America refinancing"

FREQUENTLY the house may be 20 or more years old, but FHA insured loans to refinance old houses are arranged every day at Bank of America. The present condition of the house, and not its age, is the important consideration.

Refinancing is a convenient way to reduce home payments by consolidating old first and second mortgages into a single obligation.

If you are planning to buy a house or wish to refinance an old mortgage, *first* see your neighborhood branch of Bank of America.

EVERY RESIDENT IS ELIGIBLE

Every family in Upland, Alta Loma, Cucamonga, and Etiwanda is included in the Upland Merchants' Dividend Day. A directory has been especially compiled by The Upland News. This directory includes every house address in these communities—Upland, the outlying district, and the three communities east of Upland.

A page number and line number are selected in a drawing to determine where the "Dividend Day Man" will call with the award. Thus, an address is selected from the directory. If the family receiving the call qualifies by having sales slips, the award is presented. The call is made at 6 p. m. every Monday. The sales slips must be dated Saturday.

The dividend sales do not have to be for cash, a "charged" sales slip being acceptable. In all fairness, however, a sales slip for payment on account cannot be eligible for use on dividend day.

(COPYRIGHTED JOE DOWNEY)

To be eligible to receive all of the jack-pot, your total purchases from two or more stores may be for

ONLY $1.00

All of jack-pot may be won if person has two or more sales slips from two or more stores with total purchases over $1.00.
$5 if person selected has one sales slip.
$10 if person selected has two or more sales slips showing total purchases under $1.00.

Naylor Will Direct Los Olivos Bible Hour Sunday Morning

Rev. Cletus Naylor will be superintendent of the Bible story hour at Los Olivos housing project starting Sunday and the class meeting time will be changed to 9:45 a. m., the Rev. William R. Hoke announced today.

The Sunday school for boys and girls from two to 12 years of age has been conducted since October by the Rev. Mr. Hoke and has met heretofore Sunday afternoons.

The Rev. Mr. Naylor for eight years was pastor of extension work at Marino and is a minister of the Brethren in Christ church. Assisting him will be students of Beulah college.

The Bible story hour is conducted in the administration building at the housing project.

School of Missions To End Sunday at Presbyterian Church

The school of missions which has been running for six weeks in the Upland Presbyterian church will come to a close Sunday night. Following the fellowship period at 6 o'clock, there will be the class period in which the course will be reviewed and summed up. The young people's choir under the direction of Mrs. Franklyn Josselyn will present two anthems for the popular meeting. The additional special feature will be a lecture-motion picture travelogue of North Africa and Europe by Monsinger John Hagerty of St. George's Parish of Ontario. The monsignor traveled to Europe, going by way of North Africa in 1939, just before the outbreak of the European conflict and has many colored motion picture scenes of the places so much in recent news.

Refreshments will be provided for the fellowship period at 6 o'clock by the Women's association under the direction of Mrs. Henry Busch. Ernest W. Fischer is superintendent of the school. Mrs. E. W. Fischer is chairman of the program committee.

Open Forums Start Sunday at Upland Methodist Church

Beginning Sunday evening, a series of special themes and open forums will be held in the Upland Methodist church. Dr. Samuel Hughes, the minister, will speak on "I Believe in God," which will be the general theme of the forums.

The questions for open discussion will include "What are the greatest sources for our belief in God?", "What are the great moral characteristics of God?", "Has science undermined faith in God's personal dealings?", "Is not the word 'personality' too limited and human to apply to God?", "How can we arrive at the sense of certainty concerning God?" and other important subjects.

Owen E. Atwood will be the leader for this first adult forum Sunday evening. The meeting opens at 7:30 and an invitation is extended to all.

Episcopal Church To Commemorate Lent With Litany

To commemorate the lenten season, the litany will be sung in procession at St. Mark's Episcopal church at the 11 o'clock service next Sunday morning, the Rev. John A. Luther, rector, announced.

"The litany is one of the seldom used services of the church today, yet is one of the earliest forms of religious worship," the Rev. Mr. Luther stated.

Eucharist will be celebrated by the rector and the sermon topic will be one of a series of lenten "Portraits of Our Lord." The subject Sunday will be "Jesus of Nazareth," and later subjects will be "Jesus the Healer," "Jesus the Rabbi," and "Jesus the King."

Herbert Gray, choirmaster, will direct the music.

Holy Communion will be celebrated Thursdays during lent at 9:30 a. m., followed by discussion of the presiding bishop's book for lent, "Earth Might be Fair" by Richard S. Emrich.

Dinner will be served Wednesdays at 6:30 p. m. in the parish hall, followed at 7:30 o'clock by an evening prayer service in the church. Next Wednesday evening, Henry Lee McFee of Claremont will speak on "Painting, an Aid to Worship."

Jean Moore Becomes Bride of Robert Manker

Manker-Moore Rites In Presbyterian Manse Wednesday

Two prominent pioneer Upland families were united Wednesday afternoon when Miss Jean Moore, daughter of Mr. and Mrs. Archie L. Moore, 205 East Fourth street, Ontario, formerly of Upland, became the bride of Robert Manker, son of Mrs. F. H. Manker, 603 North Second avenue.

The simple ceremony was held in the manse of the Upland Presbyterian church, with only immediate relatives of the couple in attendance. Dr. Clarence E. Reynolds, pastor, read the single ring service at 5 o'clock.

Mr. Moore gave his daughter in marriage, and following the rites, sang "O Promise Me" and "I Love You Truly", accompanied at the piano by Mrs. Moore.

The bride chose for her wedding a smart afternoon dress of poudre blue crepe with which she wore a small black toque and other black accessories. A corsage of delicate pink carnations completed her costume.

Later in the evening a buffet supper for some 30 members of both families was served at the home of the bride's parents. Heather, purple iris and flowering peach decorated the living room, while snowdrops, daffodills, jonquils and other early spring blossoms were used in the dining room.

The large heart-shaped bride's cake was surrounded by pink and white camellias, and at either side were tall white candles in crystal holders.

Mr. and Mrs. Manker left for Los Angeles, where they will be at home to their friends at 246 Columbia place.

The new Mrs. Manker is a graduate of Chaffey high school and Chaffey junior college, and attended the San Diego State college for one year. For the past five years she has been affiliated with the Bank of America and now holds the position of secretary to the assistant chief inspector at the main branch in Los Angeles.

Mr. Manker, who is a native Uplander, is secretary and accountant for the Vesta Petroleum company in Los Angeles.

Upland P-T A Honors Past Presidents and Notes Founders Day

Nine past presidents of Upland Parent-Teacher association were honored and two school executives presented life memberships at the meeting Wednesday afternoon at the Elementary school auditorium.

The nine past presidents honored were Mrs. Thomas H. Settle, one of the first presidents; Mrs. Harold J. Stickney, who headed the P.-T. A. in 1929 and 1930; Mrs. Hjalmar Anderson, president from 1930 to 1932; Mrs. Albert C. Reynolds, 1934-1935; Mrs. George Cassell, 1935 to 1937; Mrs. J. B. McCarter, 1937 to 1939; Mrs. George Eyer, 1940 to 1942; Mrs. D. F. Jones, 1942-1943, and Mrs. Nellis McNeil, 1943-1944.

Presentations of life membership in the Upland P.-T. A. were made to Harold W. Cook, superintendent of Upland schools, by Mrs. Minnie Emmons of the Ontario council, and to Miss Jessie Brown, principal of the Upland Elementary school, by Mrs. Hjalmar Anderson.

Mrs. Poli Sanchez, president, opened the meeting and Mrs. Ernest Olson acted as secretary. On roll call Mrs. Richard Manley's fourth grade and Miss Florence Armstrong's junior high school class had the largest attendance of mothers.

The program was in charge of Mrs. James Martinez.

Sixth grade pupils, directed by Miss Esther Ziegler and Mrs. Franklyn Josselyn, presented scenes from a play, "The Princess of the Nile," written by the children. Mrs. Manley's fourth graders gave a Valentine play, "Her Royal Valentine."

"The Light for Tomorrow," a founder's day pageant, was presented by Mrs. Paul McIntosh, Mrs. J. M. Flocker and Mrs. John Buckwalter, assisted by a group of children.

Peach blossoms and red tapers in Valentine motif decorated the cafeteria, where refreshments were served after the meeting. On the refreshment committee were Mrs. Joe Seitz, Mrs. A. J. Neilson, Mrs. J. M. Flocker, Mrs. B. B. Bateman, Mrs. Bert Reed and Mrs. Gillespie.

Miss Lula Collier Tells Engagement To S. Sgt. Blair

Engagement of Miss Lula Collier, daughter of Mr. and Mrs. Ralph Collier, 821 North Second avenue, to Staff Sgt. Donald C. Blair was announced to a group of Miss Collier's intimate friends as a surprise climax to a theater party Wednesday evening.

When the guests returned from Pomona to the Collier home, they found the house and refreshment table decorations in keeping with St. Valentine's day, with red and white hearts and streamers. The large white cake was adorned with a red heart on which were the names of the affianced couple. No date has been set for the wedding.

Miss Collier is a graduate of Chaffey high school and attended Chaffey college. She is now employed by the Upland Lemon Growers association.

Sgt. Blair is the son of Mr. and Mrs. Floyd Blair, East Ninth street, who recently came to Upland from Milton, Iowa, and is a grandson of Mrs. D. C. Sutton of 1495 North Mountain avenue. He received his schooling in Milton, and after entering the army, served in Africa and Italy for two years. He is now stationed at Victorville.

Guests invited to learn of the engagement were Miss Jane Comly, Miss Jeannie Dobbs, Mrs. Thomas Walker, Miss Marie Wilson, Miss Beatrice Neely, Miss Ruth Ellsworth and Miss Mary Collier.

Talk on Violins Features Program Of Mariners Club

A 7 o'clock dinner, served by a committee composed of Mrs. Henry M. Busch, Mrs. Mary Chapman and Mr. and Mrs. Paul A. McIntosh, opened the monthly meeting of the Mariners club of the Upland Presbyterian church held last evening in the social hall.

The tables were decorated for Valentine's day, with red hearts and red japonica blossoms in white bowls.

A short business session was conducted by Gerald LaForge, the skipper.

Walter Babcock of Ontario was guest speaker, and gave an interesting talk on his hobby—making violins. He had with him two of his finished instruments, which he played, and he also showed one in the process of construction. Included in his talk was a brief history of violin making.

Attending the meeting were the Rev. Clarence E. Reynolds, Mr. and Mrs. Floyd Campbell, Mr. and Mrs. Robert Groendyke, Mr. and Mrs. Frank B. Titus, Mr. and Mrs. Frank Hubbard, Mr. and Mrs. Harold K. Hemingway, Mrs. F. J. Mahler, Miss Marjorie Bollinger, Mrs. Roy Sexton, Mrs. Ralph Scott, Gerald La Forge, and the committee.

Agnes Mathis Cherry Gives Entertaining Program for Club

Pleasing her audience with her diversified program of skits and character sketches, Agnes Mathis Cherry appeared before members of the Upland Woman's club at their meeting Tuesday afternoon in the club house.

After opening with a short poem of an inspirational nature, Miss Cherry presented a short play written by herself, "Mrs. Chandler, Patriot 1944—One Day in Her Life," in which she showed how a woman could influence for good the many persons she contacted in her daily duties.

This was followed by a light skit, "Modern Lullaby."

Dressed in an old-fashioned costume with a hoop skirt, Miss Cherry next gave a sketch of a discouraged pioneer mother in Kansas at the time of the grasshopper scourge, who was given a lift and new courage by a gift of silver from her aunt in the east.

The next skit was humorous, and Miss Cherry impersonated the wife in three breakfast scenes. The first was a honeymoon breakfast, then one 10 years later, and the last when the couple had been married 40 years. There was an underlying lesson in each of Miss Cherry's presentations.

She concluded her program with a group of short humorous stories which she had collected in her travels.

Mrs. J. Emery Sargent, program chairman, presented the entertainer.

During the business session conducted by Mrs. Marion Maxwell, the president, Mrs. Ray C. Norton gave a report of the successful rummage sale, proceeds from which will reduce the mortgage.

The afternoon opened with a luncheon at 12:30 o'clock served by the February committee headed by Mrs. Ernest C. Mehl and Mrs. Claude B. Mattox, chairmen.

Mrs. Donald F. McKean had charge of the table decorations, which carried out a Valentine motif. Flat bowls of small white lilies and red geraniums were encircled by red crepe paper, and the red candles were in red crepe paper holders.

Vitamins Will Be Subject of Hospital Auxiliary Program

Properties of the various vitamins and experiments which are being carried on in their production will be explained when Clyde F. Sachum addresses members of the Woman's Auxiliary of San Antonio Community hospital at their meeting Monday afternoon at 3 o'clock in the hospital library Mr. Sachum is a representative of the E. F. Miller laboratories in Los Angeles.

The program has been arranged by Mrs. Norman S. Lawson. Mrs. William R. Mason will preside in the absence of the president, Mrs. L. Dudley Phillips.

The Auxiliary meetings are open to the public, and an invitation is extended to all interested persons.

Department President Pays Official Visit To SUV Auxiliary

Department President Marcia Sherfery of Raisin City made her official visit to the Auxiliary of Alois Podrasnik camp, Sons of Union Veterans, at the meeting on Tuesday evening in the Memorial hall in Ontario, and complimented the members on their work.

Other distinguished guests were Mrs. Bessie Woerner of Inglewood, department junior vice-president; Robert R. Rankin of Pasadena, department commmander of the Sons, and R. B. Dumser of Oakland, department senior vice-commander of the Sons. There were other visitors from Los Angeles, Pasadena and Riverside, and all made short talks.

Preceding the session, the Auxiliary members and their guests enjoyed a contributed dinner. There were two long tables, one for Abraham Lincoln and the other for George Washington, and those seated told something of the man their table represented.

Mrs. Delos Williams, general chairman for the dinner, and Mrs. R. Emerson Gilliland were in charge of the Lincoln table, which was cleverly decorated with a log cabin and fence rails, the work of J. W. McConkay. Mrs. T. A. Evans had charge of the Washington table. The Lincoln table received the most praise from the judges.

Mrs. Elizabeth R. Taylor headed the kitchen committee, and was assisted by Mrs. Riggs, Mrs. R. H. Smale, Mrs. Guy Paine, Mrs. W. H. Klepper, Mrs. Carrie Hewes and others.

Joint Boy Scout Cub Meeting at School Tonight

Campfires will be "lit" on the stage of the Upland Elementary school tonight when Boy Scouts of four Upland troops demonstrate outdoor activities for their parents, friends and Upland Cub Scouts.

The Boy Scouts will go through their drills and show the Cubs some of the things to which they can look forward.

The Cubs will open the program, demonstrate the skills they have acquired since the dens were opened three months ago.

The Cub Scouts will have the first half of the program and the Boy Scouts will take over the second half.

There is keen rivalry between the two groups to determine which will have the larger representation at the meeting. Upland's 10 dens have 110 Cubs enrolled and nearly all are expected at tonight's joint meeting. Registration in the four Upland Boy Scout troops is approximately the same.

With some 200 to 225 Cubs and Scouts on the program and all their parents and friends invited to attend, it is expected that 600 persons will be present in the Elementary school auditorium, according to Cubmaster Eugene L. Mueller.

On the program will be award of cords to den chiefs, motion pictures an entertainment. There will be no speeches.

James Martinez, chairman of the Cub Scout pack committee, will call the meeting to order. Assisting him will be Don Stroh, Lee Bigley and N. R. Jamison, cub pack secretary.

Housing Project Wants Sidewalk

City Manager Richard G. Manley and City Attorney Edward E. Gray were appointed by the city council last night to study a request by the Upland Housing authority to put a sidewalk on North Campus avenue from the Los Olivos housing project to Foothill boulevard.

Otto S. Roen, executive director of the housing authority, wrote the councilmen that children going to the Sierra Vista, Upland Elementary and Upland junior high schools are required to walk in the street and that the sidewalk is desired to protect them from traffic.

He said that of 1320 feet between Foothill boulevard and Thirteenth street, the housing authority owns 781 feet.

To pave the sidewalk using street funds, Mr. Gray said, would require a resolution by the council, publication of bids, a public meeting at which protests could be voiced and employment of a contractor, after which property owners would be assessed for the improvement.

Property owners could have the job done, he added, at 75 to 80 per cent of that cost.

Mr. Manley said that several months ago, sidewalk paving cost 75 cents per foot but that the cost is probably larger now. He suggested that the city might grade the strip and oil surface it.

A Cappella Group Give Two Programs

"Wilderness Stone", a cantata, will be presented by Claremont A Capella singers tonight and tomorrow evening at 8:15 o'clock in Balch hall at Scripps college.

Based on Stephen Vincent Benet's narrative poem, "John Brown's Body", it is a dramatic tale of the Civil war. Music is developed from three original tunes and several characteristic motifs, rhythmically or tonally transformed to fit the action.

Six Red Cross Leaders in L. A.

Six leaders of Upland chapter, American Red Cross, were at Los Angeles Tuesday to attend the meeting of Southern California chapters addressed by Basil O'Connor, national chairman.

They were Mrs. Warren Wass, chairman, Mrs. Harl L. Thomason, Mrs. Will R. Mason, Mrs. John B. Craig, Mrs. E. F. Pelton and Miss Eunice Mitchell, executive secretary.

The luncheon meeting at the Biltmore hotel was preliminary to the Red Cross March fund drive throughout the nation.

Mr. O'Connor told of his visits to the European battlefronts and said the G. I.'s greatest need is not the help it gives him on the battlefield but, rather, the assistance rendered in helping him settle his family problems.

But Red Cross needs in the European area will be greater this year than ever before even if the shooting stops, Mr. O'Connor said, while Pacific area requirements grow daily.

To continue essential services to men and women of the armed forces and their families, $2,000,000 will be sought in the nation in March.

Gurney Newlin, Los Angeles Red Cross chapter chairman, introduced Mr. O'Connor.

Poultrymen Hear Disease Expert
